Dear Madam:

I have been making a search regarding the Revolutionary records of Vines Collier who resided in Kings and Queens County, Virginia, removing to Oglethorpe and Wilkes County, Georgia, in 1780. He died in Oglethorpe County September 11, 1795. He served as an Ensign in the French and Indian Wars, and was a Lieutenant in the Expedition to Fort Duquesne. He married Elizabeth, daughter of Benjamin Williamson, in Brunswick County, Virginia about 1760.

I wish to determine his Revolutionary service, and if he was accorded a land grant in Wilkes or Oglethorpe County by the Federal Government. All of his brothers, Myhill, Thomas, and Charles served as officers in the Revolution.

The Revolutionary records in the State Capitol in Georgia are very incomplete, consequently, the reason I am asking this favor of you.

Isaac was the father of Vines Collier, resided in York County, Virginia, later removing to Brunswick County, Virginia.

Thanking you very much for this favor, and if there is any charge, please send bill.

Very respectfully,

JCC:GS

J. C. COLLIER.
